

# How to go from the first consultation reception to the Dialysis and Apheresis room

1F

(1) Turn right with your back to the first consultation reception.

Pass by the automatic re-visit reception machines and go through the automatic door to the ward next to the general reception.

(2) Use the elevator to the ward.

(3) Go up to the second floor in the elevator.

2F

(4) When you get off the elevator, turn left.

(5) Go through the automatic door and turn right.

(6) Press the intercom when you arrive.
